MOIR, JAMES.—Colour and Chemical Constitution. Part IX.—An Empirical Law of Change of Colour.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

Colour and Chemical Constitution. Part IX.—An Empirical Law of Change of Colour.
JAMES MOIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

Chemical Constitution, Colour and. Part IX.—An Empirical Law of Change of Colour.
JAMES MOIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

An Empirical Law of Change of Colour. Colour and Chemical Constitution. Part IX.
JAMES MOIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

Change of Colour, An Empirical Law of. Colour and Chemical Constitution. Part IX.
JAMES MOIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

Colour, An Empirical Law of Change of. Colour and Chemical Constitution. Part IX.
JAMES MOIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 225.

MUIR, SIR THOMAS.—Additional Note on the Resolvability of the Minors of a Compound Determinant.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 229.

Additional Note on the Resolvability of the Minors of a Compound Determinant.
SIR THOMAS MUIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 229.

Resolvability of the Minors of a Compound Determinant, Additional Note on the.
SIR THOMAS MUIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 229.

Minors of a Compound Determinant, Additional Note on the Resolvability of the.
SIR THOMAS MUIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 229.

Compound Determinant, Additional Note on the Resolvability of the Minors of a.
SIR THOMAS MUIR. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 229.

INDEX SLIP.

Doidge, Ethel M.—South African Microthyriaceae.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 235.

South African Microthyriaceae.
Ethel M. Doidge. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 235.

Microthyriaceae, South African.
Ethel M. Doidge. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 235.

Wallis, A. H.—An Investigation of Evaporation over Free Surfaces of Water in Inland South Africa.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

An Investigation of Evaporation over Free Surfaces of Water in Inland South Africa.
A. H. Wallis. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

Evaporation over Free Surfaces of Water in Inland South Africa, An Investigation of.
A. H. Wallis. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

Free Surfaces of Water in Inland South Africa, An Investigation of Evaporation over.
A. H. Wallis. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

Water in Inland South Africa, An Investigation of Evaporation over Free Surfaces of.
A. H. Wallis. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

South Africa, An Investigation of Evaporation over Free Surfaces of Water in Inland.
A. H. Wallis. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 283.

Muir, Sir Thomas.—Second Note on the Determinant of the Sum of Two Circulant Matrices.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Second Note on the Determinant of the Sum of Two Circulant Matrices.
Sir Thomas Muir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Circulant Matrices, Second Note on the Determinant of the Sum of Two.
Sir Thomas Muir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Determinant of the Sum of Two Circulant Matrices, Second Note on the.
Sir Thomas Muir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Matrices, Second Note on the Determinant of the Sum of Two Circulant.
Sir Thomas Muir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Sum of Two Circulant Matrices, Second Note on the Determinant of the.
Sir Thomas Muir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 293.

Goetz, Rev. E.—Magnetic Observations in Rhodesia.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 297.

Magnetic Observations in Rhodesia.
Rev. E. Goetz. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 297.

Observations in Rhodesia, Magnetic.
Rev. E. Goetz. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 297.

Rhodesia, Magnetic Observations in.
Rev. E. Goetz. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 297.

Moir, James.—Colour and Chemical Constitution. Part X.—A General Numerical Solution of the Colour-Constitution Problem.
Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.

Colour and Chemical Constitution. Part X.—A General Numerical Solution of the Colour-Constitution Problem.
James Moir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.

Chemical Constitution, Colour and. Part X.—A General Numerical Solution of the Colour-Constitution Problem.
James Moir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.

A General Numerical Solution of the Colour-Constitution Problem. Colour and Chemical Constitution. Part X.
James Moir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.

Solution of the Colour-Constitution Problem, A General Numerical. Colour and Chemical Constitution. Part X.
James Moir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.

Colour-Constitution Problem, A General Numerical Solution of the. Colour and Chemical Constitution. Part X.
James Moir. Trans. R. Soc. S. Afric., vol. viii, 1920, p. 303.
